PEACE TALKS

WASHINGTON—A high-level attempt to get the Korean armistice negotiations rolling again was seen today in General Omar N. Bradley's surprise trip to Tokyo to confer with General Ridgway. The fact that Charles E. "Chip" Bohlen, the State Department's top Russian expert, accompanied Bradley was taken as confirmation that the negotiations rather than purely military matters are involved in the mission.

GETS TEN MONTHS FOR CUTTING A WINDPIPE

Trentonian Given Jail Term; Judge Doesn't Like Cutting Cases

TRIAL LASTS ONE DAY

DOYLESTOWN, Sept. 28—A Trenton, N. J., man, Jesse Gaskins, 39, was sentenced to serve not more than 10 months in Bucks Co. prison, he being charged with assault and battery and aggravated assault and battery. Costs in the cost and fine of \$10 were also levied on him.

Judge Edward P. Little, of Susquehanna county, asserted that he doesn't like cutting cases. Gaskins was charged with cutting a man's windpipe.

Gaskins, who was arrested by Trooper Duane Q. Allen, of the Langhorne sub-station, of the Penna. State Police, was involved in a fight June 30 with Eddie Green, also of Trenton.

Gaskins and his wife went over from Trenton to visit friends in Lincoln Bensalem twp. Later they went to a taproom, "Hole in The Wall" at Langhorne.

An argument began between the defendant and his wife. Eddie Green became involved, and the defendant testified that he was hit over the head with something that felt like an iron pipe and that he got his knife out and cut "some one" in self-defense.

A Trenton hospital surgeon testified that Green's windpipe was cut. Other witnesses, none of whom saw anything because it was dark, were James and Bertha Simpson, Newtown.

In his charge to the jury, Presiding Judge Little remarked: "If the place known as the 'Hole in The Wall,' were plugged up it might save a lot of trouble and this case would not be here today."

WORLD NEWS IN BRIEF

A twelve-year jail sentence was imposed on Harry Gross, former head of a \$20,000,000-a-year gambling enterprise, by the Court of Special Sessions in Brooklyn. OCT. 2 & 3 ARE DATES

Final plans are being formulated for Middletown Grange's Country Fair to be held Oct. 2nd and 3rd at Bjarni Bjarnason's "Heston Manor Farm" located on the Lindenhurst Road, off the Newtown-Yardley Pike, Route 332.

Judging by the preparations already made, members of the Middletown Grange, that is sponsoring the fair, feel it will be by far the largest since it started four years ago.

The fair this year the same as last will be held day and evenings from 10 a.m. to 11 p.m., and will be brilliantly lighted.

One of the unique features is that admission and parking are free and it is truly a real old fashioned Country Fair with no concessions.

One of the highlights of the fair again this year will be the baked ham dinner on October 2nd and the prime roast of beef d'or on October 3rd prepared and served by the women of the Grange. Dinner will be served from 4 p.m. to 8 p.m. both days. Arrangements have been made to secure a much larger dining tent than last year to facilitate service. During the day and evening, refreshments, such as sandwiches, coffee, French fries, ice cream, etc., will be available on the grounds under the direction of the Grange at a reasonable cost.

This year the exhibits will be the largest and of much greater variety than in past years, also a greater number of the exhibitors will have tents erected for their exhibits. Along the mountainous east central front, where some of the war's heaviest battles have raged for five weeks, North Korean troops launched new thrusts Friday at a key height taken by UN forces last Tuesday.

RED UNDERGROUND

FBI Director J. Edgar Hoover says the communist party in the United States has "gone into a real underground operation with nothing but a sham above ground." Very little of the party machinery is visible today.

Across the country, according to a survey made by a wire news service, branch offices of the communist party have been closing down. Some that are still in existence are unmanned and party telephones go unanswered. A few have moved to cheaper quarters.

The apparent result is that distribution of communist literature has been severely curtailed, that few party meetings are being arranged, and activities in general have been reduced to a shadow of what they formerly were.

In the past communists and their works have been in the public view to a certain extent, although it has taken a great deal of effort on the part of law enforcement officials and congressional committees—starting with that headed by Rep. Martin Dies—to educate the American people in communist aims and practices.

Now the greater part of the structure seems to have vanished. It would be a mistake, however, to assume it no longer exists.

The Smith Act, which makes it a crime to conspire to teach and advocate the overthrow of the government by force, does not outlaw the communist party. But any member of the party who can be proved a part of such a conspiracy can be sent to jail. Some have been sentenced to prison terms while a number of others are awaiting trial.

This threat, beyond any question, has had a great deal to do with what has been happening to communist centers that formerly operated openly.

But it must not be concluded the problem has been solved. Communists have gone underground in other countries and gained strength while operating in that manner because the task of combating them was made more difficult.

FAULTY DRIVER SIGNALING

Failure of drivers to give or heed hand signals prescribed by law in making turns or slowing down has become a serious menace to highway safety. As for blinker lights, a comparatively new automobile gadget, it is too early to judge their effectiveness as a substitute for hand signals as only a comparatively few cars are thus equipped.

At the New York Automobile Association's recent convention, Commissioner Fletcher of the State Motor Vehicle Bureau declared non-observance of the signal code has created a greater peril than drunken driving. It was responsible for nearly 5,000 accidents in New York state alone in the first five months of this year, he said.

Director Ryan of the State Division of Safety declared hand signaling "seems to have become a lost art"; that a study of drivers indicated their attitude in this respect was growing worse instead of better.

Township Man on Trial For Fatal Accident

Continued from Page One
chased the bottle at the Bristol State Liquor Store to take to his home.

Dr. Joseph J. Toland, orthopedic surgeon, and Dr. John Vincent Allen, 3d, both connected with the Nazareth Hospital, testified they were at the hospital when the victim was brought there, and that he had a compound fracture of the jaw, and was transferred to Harriman Hospital in Bristol because there were no beds available at the Nazareth Hospital. The victim was given first-aid, however.

Dr. George T. Fox of Harriman Hospital, testified that he examined the victim on the night of May 19, and that he died two days later from extreme shock caused by external violence resulting in a compound fracture of the upper jaw.

Policeman Bentley Chapin, of the Bristol township force, also testified that in his opinion the defendant was under the influence of intoxicating liquor. So did Dr. Vincent A. Romano, of Bristol, who examined the victim for intoxication.

Defense Attorney Satterthwaite's involuntary manslaughter charge taken from the indictment was overruled by Judge Blester.

The defendant testified that bright headlights of an approaching car

and a car in the rear, blinded him at the time; and that he saw a man walking on the concrete highway three feet from the side of the road, but too late to avoid hitting him. Eins said that he applied his brakes, heard a thump and a light groan. The defendant said that he stopped his car and stayed in the car until police and an ambulance arrived. He said that he "blacked out" for a time, and was highly shocked by what had happened. Eins stated that he had taken several drinks of wine at his home on the morning of May 17, before 11 a.m. The accident happened at night.

Supper Followed by A Talk, "Meaning of PTA"

A covered dish supper was served to 50 last evening at 6:30 at Delhaas high school when the fall sessions of Laurel Bend Parent-Teacher Association got underway.

The chairman of the supper, James Foley, was assisted by Miss Margaret Breslin, Charles Plank Mrs. Walter Prickett, Mrs. Melvin Houser, Mrs. Fred Schutz, Mrs. Dorothy Chase, Mrs. Nelson Simon, Mrs. Fred Douglas, and Mrs. E. W. Kelly.

Vice-president Mrs. Melvin Houser, opened the business session, followed by a song by the group, accompanied by Miss Alice Mae Simon on the accordion.

After the P. T. A. prayer, Mrs. Alvin Pratt, Morrisville, presented a talk on "The meaning of P. T. A. and how much it is needed for the advantage of our children."

Mrs. Houser introduced Walter Miller, superintendent of Bristol

COUNCIL ROCK TO OPPOSE BENSALEM

CORNWELLS HEIGHTS, Sept. 28—Bensalem Township High grididers will seek their second win of the season tomorrow afternoon as it meets Council Rock High in a Lower Bucks County League match on the winners' field.

Bensalem opened its season last week with a 6-0 victory over Sellersville-Perkasie. Bob Whittfield scored the Bensalem touchdown on an end run from the 7-yard line. Coach Marlon Vanhorn is not planning any changes in his lineup.

Coach Dominic Sagolla's Council Rock team also has a victory under its belt, trimming St. Francis 25-0 last week. The Indians appeared powerful against St. Francis but their test will be against the Owls tomorrow.

TOUCH FOOTBALL LEAGUE FORMED IN SCHOOLS HERE

A touch football league has been organized between the elementary grades of Bristol Township and Bristol Borough schools. The circuit has been organized through the combined efforts of Joseph Sagallo, newly-appointed elementary physical education teacher for Bristol Borough and Henry Morgan who holds the same position in the Township.

The season opens tomorrow morning when four games are scheduled on the township field. At the close of the season, a trophy will be awarded the winning team through the courtesy of the Bristol Athletic Association and the Delhaas Athletic Association. All decisions on rules will be made by Mr. Sagallo and Mr. Morgan.

Some of the rules set forth are:

All games must start within 10 minutes of starting time; games to be played on the Delhaas High School field; Delhaas varsity football players to act as officials; eleven players should be used in the game; no less than six players per team may play at any time; all games will be played in two periods of 15 minutes each with a break of five minutes between halves; the field will be 80 yards long instead of 100 with the kickoff from the 30-

yard line; the restraining line shall be 10 yards from the kicking line and five receivers must be within 5 yards of the line; there must be 7 men on the offensive line of scrimmage in every 11-man team; any player may catch a pass or advance a fumble; the try for the extra point will be made from the 2-yard line; a legal block can be made by keeping both arms close to the body; the ball must be passed from center to comply with the regular football rules; team standings shall be scored with three points for a win and one point for a tie.

BRISTOL GIRLS LOSE

SOUTHAMPTON, Sept. 28—Southampton High won over Bristol High, 4-1, in a Lower Bucks County Girls' Hockey League game, yesterday, here. The game was played under protest by Bristol because of only one official being at the game and the fact that there was football practice nearby, the blowing of the whistle distracting the hockey players.
